SECRETARY TO THE GOVERNMENT OF H H THE MAHARJA OF MYSORE GENERAL DEPARTMENT BANGALORE

SIR

I have the honour to state that the Channur Municipal Council have passed a resolution at their meeting on the 30th July 1927 to the effect that a bill collector on a salary of Rs 12/- per mensem may be appointed to look after the collection work of their municipality, and the President of the Council requests sanction for the same The file of vernacular correspondence ending with the President's report No 58 dated 9th October 1927 on the subject is forwarded herewith for favour of orders of Government

2 The average annual income of the municipality may be taken at Rs 3,000/- at present and the establishment now entertained by the Council consists of only a clerk on Rs 20/- and a peon on Rs 10/- per mensem besides a small conservancy establishment of sweepers The revenue is collected on commission through the agency of the local revenue village officials The Municipal Council find that this system is not working satisfactorily and that the arrears increasing year after year and have swelled to the present Rs 1,514-9-7 up to the end of June 1927

3 In view of these circumstances, and of the collection taxes which consti

constitutue the main item of income of the Municipality at present requires special attention I request that the -- Government may be pleased to view the proposal of the Coun - cil favourably and accord their sanction to the entertain- ment of a whole time Bill collector as requested by them As regards the pay of the post, the pay of Rs 12/- recom- mended by the Council is too small, considering the respon- sibility and the volume of work devolving on the Bill collec- tor Besides attending to the collection, he has also to maintain accounts, as the Council propose to dispense with the services of the shanbhogue As it is also under con- templation to introduce octroi taxation and improve the re- sources of the Municipality by revising the mohatarfa taxes and levying market fees and establishing toll gate, within the limits of the Municipality, I recommend that the pay of the post may be sanctioned at Rs 15/- per mensem, at least so as to attract competent men

4 I request you to kindly place the matter be- fore Government and obtain their sanction to my recommenda- tion at an early date as the collection season is fast -- approaching

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Hassan District
